Boxed Shipments

- UPS
- FedEx
- Air freight-airport to airport (door to door service available)
- For Plugs and URC 'by-count' shipments
- Trays are meshed wrapped for protection at no extra charge

Pallet Shipper

- Stackable, crush-resistant packaging on pallets
- Air circulation (critical to plant health and quality)
- Lower cost vs. traditional boxes
- Available for shipments of 91 trays or more

Cart Delivery

- Ultimate delivery option available for larger shipments (must be able to store and account for carts for short periods)
- Best air circulation for quality plants
- Lower unit delivery cost vs. traditional boxed shipments
- Transplant direct from our carts-no extra handling
